CONGRESSIONAL FINDINGS AND DECLARATION OF PURPOSE COVERING GRANT OF DISTRICT SUBPENA ENFORCEMENT AUTHORITY AND AUTHORITY TO GRANT PRELIMINARY INJUNCTIVE RELIEF

Pub. L. 93-153, §408(a), (b), Nov. 16, 1973, 87 Stat. 591, provided that:

“(a)(1) The Congress hereby finds that the investigative and law enforcement responsibilities of the Federal Trade Commission have been restricted and hampered because of inadequate legal authority to enforce subpoenas and to seek preliminary injunctive relief to avoid unfair competitive practices.

“(2) The Congress further finds that as a direct result of this inadequate legal authority significant delays have occurred in a major investigation into the legality of the structure, conduct, and activities of the petroleum industry, as well as in other major investigations designed to protect the public interest.

“(b) It is the purpose of this Act [amending this section and sections 46, 53, and 56 of this title] to grant the Federal Trade Commission the requisite authority to insure prompt enforcement of the laws the Commission administers by granting statutory authority to directly enforce subpoenas issued by the Commission and to seek preliminary injunctive relief to avoid unfair competitive practices.”

PURPOSE OF ACT JULY 14, 1952

Act July 14, 1952, ch. 745, §1, 66 Stat. 631, provided: “That it is the purpose of this Act [amending this section] to protect the rights of States under the United States Constitution to regulate their internal affairs and more particularly to enact statutes and laws, and to adopt policies, which authorize contracts and agreements prescribing minimum or stipulated prices for the resale of commodities and to extend the minimum or stipulated prices prescribed by such contracts and agreements to persons who are not parties thereto. It is the further purpose of this Act to permit such statutes, laws, and public policies to apply to commodities, contracts, agreements, and activities in or affecting interstate or foreign commerce.”

§ 45a. Labels on products

To the extent any person introduces, delivers for introduction, sells, advertises, or offers for sale in commerce a product with a “Made in the U.S.A.” or “Made in America” label, or the equivalent thereof, in order to represent that such product was in whole or substantial part of domestic origin, such label shall be consistent with decisions and orders of the Federal Trade Commission issued pursuant to section 45 of this title. This section only applies to such labels. Nothing in this section shall preclude the application of other provisions of law relating to labeling. The Commission may periodically consider an appropriate percentage of imported components which may be included in the product and still be reasonably consistent with such decisions and orders. Nothing in this section shall preclude use of such labels for products

that contain imported components under the label when the label also discloses such information in a clear and conspicuous manner. The Commission shall administer this section pursuant to section 45 of this title and may from time to time issue rules pursuant to section 553 of title 5 for such purpose. If a rule is issued, such violation shall be treated by the Commission as a violation of a rule under section 57a of this title regarding unfair or deceptive acts or practices. This section shall be effective upon publication in the Federal Register of a Notice of the provisions of this section. The Commission shall publish such notice within six months after September 13, 1994.
